

CANDIA SCHOOL DISTRICT
STUDENT CONDUCT ON SCHOOL BUSES

The Superintendent and/or his/her designee will develop rules and regulations for conduct on buses and these shall be printed annually in the Parent-Student Handbook.

Students using district transportation are under the jurisdiction of the school from the time they board the bus until the time they exit the bus.

Students transported in a school bus shall be under the authority of the school district and under the supervision of the bus driver. Inappropriate conduct or refusal to adhere to standard bus procedures will be sufficient reason for a pupil to be denied transportation in accordance with the regulations of the School Board as expressed in the Parent-Student Handbook.

The driver of the bus shall manage students' behavior during transportation. Each driver has the support of the School Board in maintaining good conduct on the bus. Should a student be denied bus transportation, advance notice will be provided to the parents/guardians by the school administration.
