Matt asked if there has been any feedback on Spanish, to which Becky stated it has all been very positive. He also asked if there was any chance of getting any reimbursement from the state's new learning management tool, to which Becky stated that Candia used Schoology, and not the state one as it was more intuitive for the Candia faculty.

**Reports of Standing Committees**

Dana Buckley stated that he would like both Policy and Enrollment committee meetings before the next Board meeting.

**OLD BUSINESS**

**Parent Survey**

Bill Rearick stated that one caveat to choosing whether to go in-school or remote, was students had to stay put until at least the end of the marking period. Becky Wing stated that a few changes were made for those with compelling reasons to switch. Bill said they are now 'on a razors edge' with regard to the ratio of teachers and students in their current placement. He suggested that a survey be sent to parents to get an idea if those ratios would change. Becky Wing stated that if too many come back to in-school learning, they may not be able to keep the 6' distancing

**Manifest Approval**

Motion by Matt Woodrow, seconded by Stephanie Helmig, to approve the October 8, 2020 manifest in the amount of \$1,431,260.70, and the motion carried unanimously.

Becky Wing asked the Board if they had any issue with the girls' soccer team playing in a tournament against Epping, Nashua Catholic, Presentation of Mary, Wilton, or Derryfield. After some discussion, no one had any objections. So far, the girl's team has played only local teams. The boys have done scrimmages.
