Those in attendance were Board members Stephanie Helmig and Dana Buckley. Mark Chalbeck and Kristina Ickes joined via telephone.

Also in attendance were Principal, Becky Wing, Assistant Principal, Johnathon Banks, Technology Director, Chris Jamrog; Superintendent, William (Bill) Rearick, and Assistant Superintendent, Marge Polak.

Matt Woodrow led the attendees in the Pledge of Allegiance.

**PROOF OF POSTING**

Bill Rearick provided proof of posting.

**OPPORTUNITY FOR PUBLIC TO ADDRESS THE BOARD**

No participation.

**OLD BUSINESS**

**Re-Entry to School and Instructional Update**

Bill Rearick stated that at the last meeting, the Board decided to have administration look into the feasibility of providing remote instruction. Becky Wing reviewed the results of the survey that was sent out after that meeting. She gave an overview of remote instruction, and described a typical day in the life of a remote learner. She said things remain fluid as she follows weekly updates from the state. Bill Rearick stated that the Board should create a policy to establish remote learning parameters. Because of the new option available, Becky will follow up with parents tomorrow asking if they would like to change their previous decision.

Stephanie Helmig asked why a teacher can't Zoom live instruction, to which Becky said she didn't want teachers doing double duty. In addition, that wouldn't allow for small group instruction. Stephanie asked if there would be a para in the kindergarten classroom, to which Becky stated that all paras are assigned to students needing special education services. Bill Rearick stated that they wouldn't look into hiring a long-term sub until numbers of in-school learners were more solid. Dana Buckley asked how the upper grades would be allowed to socialize, to which Becky Wing stated that she felt confident it could be worked out by the teacher when possible.

Motion by Dana Buckley, seconded by Matt Woodrow, to approve the Remote Learning Plan as presented. A poll vote was taken. With all in favor, the motion carried.

Bill Rearick stated that Lynda Byrne did a study to determine the additional time needed to clean, which came out to over ten hours a day. Bill suggested contracting with a cleaning service so services could be ended if the school had to close. Matt Woodrow asked if there was any state aid, to which Bill Rearick stated that the Business Administrator has applied for FEMA assistance, but right now they are only appropriating funds for school start-ups for items such as PPE's. Matt asked how the cleaning service would be funded. Bill said because schools aren't 'front-loading' supplies for a full year, there is some flexibility there.

Motion by Matt Woodrow, seconded by Dana Buckley, to approve outsourcing cleaning services. A poll vote was taken. With all in favor, the motion carried.

Matt Woodrow stated that community members have asked what 6' distancing will look like in the classroom and at recess. Becky Wing stated that in K-4, when neither the teacher nor students are walking about, there will be ample times for mask breaks, as those in the classroom will be maintaining the 6' distance. She said that recess time is more difficult to maintain 6', but that there will be opportunities for breaks if students are able to spread apart appropriately. Becky said that those with underlying health issues and unable to wear a mask should

contact the school.

**Athletics**

Becky Wing reviewed survey results showing a number of students interested in participating in soccer and cross-country. Individual, participating schools will develop their own health and safety protocols and will determine if they want to participate with other districts based on their protocols.

**Video Recording**

Some discussion ensued relative to video recording. Zoom would not be viable for long-term. Marge Polak explained that by law, they are required to close caption any streamed/recorded meetings. These cost \$1 a word. Dana Buckley felt it was important to provide this service. Bill Rearick stated that video recording of meetings is not an operational issue. The Board agreed to put this on the ballot as a warrant article for Candia residents to vote on.

**NEW BUSINESS**

**Policy KF**

Bill Rearick said he wanted to discuss Policy KF as the Board may want to consider suspending or limiting use of the building. Considerable discussion ensued relative to who might still be allowed to use it and what, if any, cleaning would be necessary to cover. Bill suggested putting a hold on for 30 days.

Motion by Matt Woodrow, seconded by Dana Buckley, to put a temporary hold on indoor use of the Moore School facility for any non-school sanctioned groups. This will be revisited at the Board's next meeting.

A roll call vote was taken. With all in favor, the motion carried.

**Resignation**

Motion by Matt Woodrow, seconded by Dana Buckley, to accept, with great regret, the resignation of Katie Healey. A roll call vote was taken. With all in favor, the motion carried.

**Superintendent's Nominations**

Motion by Matt Woodrow, seconded by Dana Buckley, to approve the Superintendent's nomination of Caroline Megan as school nurse. A poll vote was taken. With all in favor, the motion carried.

Motion by Matt Woodrow, seconded by Kristina Ickes, to approve the Superintendent's nomination of Victoria Brown as presented. A poll vote was taken. With all in favor, the motion carried.

**Manifest Approval**

Motion by Dana Buckley, seconded by Stephanie Helmig, to approve the August 21, 2020 manifest in the amount of \$118,921.39. A poll vote was taken. With all in favor, the motion carried.

Dana Buckley asked about bus routes, to which Becky Wing stated the bus company will determine routes and stops after they are notified of those who plan on attending in-school session.

Dana stated that there has not been enough interest in the New Morning before-school program. He said those interested should contact New Morning directly.

**OPPORTUNITY FOR PUBLIC TO ADDRESS THE BOARD**

There was no participation.

The Board decided to move their September 3 meeting to September 24.

**NON-PUBLIC SESSION RSA 91-A:3 Section II (a-k) (if necessary)**

**Welcome Back**

The Moore School staff participated in ten professional development days before welcoming students back to school after almost 6 months away from the physical school building. The PD days focused on the new protocols for in-person and remote learning, creating a welcoming environment for students, developing lessons to address student needs, and training in new technology platforms and the new reading program, Wonders.

Students returned for in-person or remote learning on Tuesday, September 8<sup>th</sup>. Feedback from parents of both in-person and remote learners has been very positive regarding the return to school. There have been a few challenges in both venues; however, we have been able to work through most of them fairly easily. I have been very impressed with our staff and students throughout the start of the school year. Everyone is doing an amazing job of adapting to the “new school normal” and exhibiting flexibility when we encounter new situations.

## Facilities

Lynda Byrne, Matt Belliveau, Bob Healey, Brandy Giordano and Joe Grise have done a fabulous job getting the building ready for the return of our staff and students. They had some challenges working around the contractors that were in the building this summer and the abundance of last-minute changes that kept us moving classrooms around to accommodate in-person enrollment changes. Completed summer projects include:

- Abatement and new floor tile in 3 classrooms;
- Installation windows and shades in middle school classrooms;
- Paving of the front lot and bus loop;
- Installation of touchless faucets, soap and paper towel dispensers;
- Fencing repairs in the field and installation of new fencing in kindergarten play area;
- Emptying of all classrooms for top to bottom cleaning;
- Emergency signage on exterior windows and all doors;
- New stage flooring and refinishing of two wood floors in classrooms;
- Painting of the kitchen;
- Stripping and waxing of floors;
- Painting of many areas in need of a touch up;
- Relocation of many classrooms;
- Removal of excess classroom furniture.

We are awaiting the completion of the main office window project, stair treads and the ventilation system in the 1938 section of the building.

## Technology

Mr. Jamrog had a busy summer getting ready for the first days of school for in-person and remote students and staff. There were projectors and smartboards that were relocated to accommodate some of the classroom shifts within the building. Chromebooks were cleaned, disinfected, and redistributed to remote students and students attending in person in grades 6-8. Several of the Chromebooks that at were utilized in the spring for remote learning have reached their end of life. We anxiously await the arrival of Chrome tablets and new Chromebooks to support students in grades K-5.

The addition of 7 new security cameras and the upgrading of older lower quality cameras to high definition was completed this summer. The new cameras will allow us to see the playground, field and other interior and exterior areas that could not be viewed previously. Our wifi was also upgraded this summer to include a new virtual controller, and more than double the access points for better and more reliable coverage throughout the building.

Mr. Jamrog and Mr. Banks have both been instrumental in supporting our remote teachers and students with our new learning platforms. Schoology, Seesaw and Pear Deck are all new to the Moore School this year.

## Student Services

The student service department had a busy summer with a variety of virtual extended school year programs running throughout July and August. We had excellent attendance this summer, and students in preschool through high school had a wide variety of meaningful experiences. The transition back to school has gone well and everyone has been hard at work supporting students and providing services to both remote and in-person students. Additionally, there have been ongoing IEP team meetings for the students within the Moore School as well as students attending high schools, charter schools, pre-schools, and out of district schools.

Respectfully Submitted,

Becky L. Wing  
Principal

## **NHSBA Reminder: 2021 Call for Resolutions/Delegate Assembly**

Dear NHSBA Members -

NHSBA is now accepting submissions for our annual 2021 NHSBA Delegate Assembly. The 2021 Delegate Assembly is tentatively scheduled for Saturday January 23, 2021 at The Center at Triangle Park office building, 25 Triangle Park Drive, Concord, NH. Traditionally, the Delegate Assembly begins at 10:30am with two training sessions/workshop, with the Delegate Assembly beginning at 1pm.

Each NHSBA member-school board is allowed to submit one or more proposed Resolutions. Proposals may be a new Resolution or may seek to amend any current NHSBA Resolution. Each member-school board may send one voting Delegate. However, any and all board members are invited to attend.

All submitted and proposed Resolutions will be brought forward to the Delegation. Each and every proposal will be discussed, debated and ultimately voted on by those Delegates in attendance. These Resolutions and Statements of Belief guide NHSBA's state-wide advocacy efforts.

To submit a Resolution please [click here](#). In addition to this link, NHSBA recently mailed each district a hard-copy of the submission form. In addition to using the link above, proposed Resolutions may also be mailed, emailed or faxed to NHSBA. Current NHSBA Resolutions can be viewed [here](#).

The deadline for submitting proposals is the close of business on **Friday, November 6, 2020**.

**Important Note:** *At the time of this email, the NHSBA office building is still closed to visitors. The building is tentatively scheduled to re-open to outside visitors on September 30, 2020. Given the ongoing and ever-changing health and safety risks related to COVID-19, NHSBA is exploring alternatives to an in-person Delegate Assembly, if necessary. We will keep our members apprised as new information becomes available.*

Please contact NHSBA Executive Director, Barrett M. Christina, if you have any questions.

Thank you for your attention to this matter.
