SUPERINTENDENT'S UPDATES

Bill Rearick updated the Board on bus #1 saying a new driver passed the test and bus #1 is back to running on time. Bill said they are close to getting the asymptomatic and symptomatic testing program up and running, but they are waiting on the contract from Convenient MD. He said there appears to be some difficulty receiving the tests as the state is running short. Matt Woodrow asked for the survey results, to which Becky Wing stated that 50% of those surveyed were in favor of asymptomatic testing and 75% of those surveyed were in favor of symptomatic testing. Bill Rearick stated that he continues to monitor the COVID numbers and that they are trending higher. Becky Wing reported that there was recent vandalism in the field. Video footage has been given to the Candia Police Department. Becky said there was a meeting with Tri-County Athletics, and the protocols which will be followed will be those whose district has the stricter of the two, no matter who is the home team.

REPORTS

Administrator's Reports were reviewed.

OLD BUSINESS

Goals

Goals were reviewed.

Recording Board Meetings

Marge Polak stated that she, Becky Wing and Chris Jamrog looked at low tech versions and Chris can report of their findings at the next meeting. Marge reiterated that if the district puts something on a

website, they must make sure it is accessible to everyone. If an audio recording is done, it would have to be verbatim.

2022/2023 Budget

Matt Woodrow asked if there were any updates on Pinkerton tuition or on health care numbers. Bill said there have been no updates yet. Kristina Ickes stated that she attended a Pinkerton meeting where there was spirited discussion regarding facilities.

Mark Chalbeck stated that compensation for custodial staff is very low and that we need to bring salaries up. Amy Ransom will do a wage study and will report back to the Board. Mark Chalbeck asked Amy to include the comparison cost of contracting out vs. paying actual salaries.

Bus Transportation

Matt Woodrow stated that there were a couple weeks that bus #1 was late up to an hour. Bill Rearick stated that requests were made of the bus company (STA) to shift routes so that one route wasn't always the late one, but that it took some time for the bus company to make that move. Bill said he understands that the bus company is having difficulty finding people, but that he sent a letter to STA asking for compensation for services not being provided. Bill said he also sent a letter to Department of Education Commissioner Frank Edelblut asking if he is planning on asking Governor Sununu for assistance with transporting students by the National Guard. He has not received a reply. Bill said each Board should discuss busing at their respective meetings as well as at their SAU Board meeting. Amy Ransom will have a draft RFP at the next Candia Board meeting.

NEW BUSINESS

CESPA Agreement

Bill Rearick summarized changes in language. He said he felt it was a smooth process and a fair contract. Motion by Matt Woodrow, seconded by Dana Buckley, to approve the 2022-2025 CESPA Agreement, and the motion carried unanimously.

Facilities Warrant Article

Matt Woodrow gave a brief history of the current facilities project. He said the Board must decide on a warrant article and what would have a chance of passing. Bill Rearick suggested that the Board prioritize items, to which Mark Chalbeck stated the roof and the HVAC systems should be the priority and should be done at the same time. He said doing those projects individually would end up costing more and the roof would not be seamless, allowing for problems in a few years. Discussion ensued relative to financing plans. Amy Ransom said she would look into a performance contract, but wasn't sure if one would be available if it were to include only parts of a whole project.

FINANCIAL

Motion by Matt Woodrow, seconded by Kristina Ickes to approve the 10/11/21-11/5/21 manifest in the amount of \$543,724.86, and the motion carried unanimously.

POLICIES

Dana Buckley explained that Policy JICD was in the October 7 packet but was never reviewed. He said the committee recommended taking language from a policy created by the special education attorneys for the district.

Motion by Dana Buckley, seconded by Mark Chalbeck to accept the first reading of Policy JICD (Student Discipline and Due Process), and the motion carried unanimously.

Motion by Dana Buckley, seconded by Kristina Ickes to approve the second reading of Policy BEDH (Public Participation at Board Meetings) as presented, and the motion carried unanimously.
